

2011 - Introduction

Overview

This module will provide an overview of the 2010 fire season's statistics.

Facilitator Quick Checklist

The following are the most important tasks that should be considered before implementing this module:

- ✓ **Preview the Introduction Module on the DVD**
- ✓ **Ask a representative from your unit (AFMO, FMO, Ranger) to talk to the group about last fire season and/or predictions for the upcoming fire season.**

Time	Facilitator Tasks	Refer To
2 min	<ul style="list-style-type: none">•  Play DVD Module 1: <u>Introduction</u>	DVD 1
	<ul style="list-style-type: none">•  Inform students that in their Student Workbooks are tables and charts with 2010 fire season statistics.	SW 1-3
8 min	<ul style="list-style-type: none">•  Conduct a group discussion by having either yourself or a local representative talk about fire season 2010 and the expectations and/or predictions for the upcoming fire season in your local area. Some ideas for talking points can be found on the next page.
